Fundraising opportunities will be given throughout the year. I encourage you to take advantage of those opportunities to help pay for your trip. Any money that you have saved in your trip account from previous years can also be put towards the cost of this trip.

We have included two payment options for you. Choose the one that best fits your needs. If you choose to pay more than the set amount, that is completely fine. Just make sure you keep up with the minimal amount due by set dates. Please let me know if you have any questions.
